Federal Communications Commission  
Washington, D.C.

Reference: CMAS Warning, Alert and Response Network  
Election to not transmit emergency alerts

FRN: 0001661552

Dear Sir:

Due to an over site we missed the required deadline for filing our election for CMAS per PS Docket 08-146.

We are a small company providing paging service in West Texas. (4 employees)

We do not plan to transmit emergency alerts at this time.

Sincerely,

Larry Saunders  
President  
WCS Communications, Inc.
